**Re: 67<sup>th</sup> Annual, 2018 NH National Engineers Week Banquet and Exhibition**

Dear Member of the New Hampshire Engineering Community,

Please join the New Hampshire Society of Professional Engineers as we celebrate the annual **National Engineers Week**. This year we are continuing our campaign to be “green”. No more paper mailings, we can take your registration information, and payment, on-line. Please visit the New Hampshire Society of Professional Engineers’ [E-Week](#) page for more information.

Enclosed in this invitation packet, you will find all the information and costs associated to register as a dinner guest, commercial vendor for the engineering expo, or a corporate sponsor. Also similar to last year, we are providing educational seminars for our guests. The “mini-seminars” are 1-hour technical discussions being held at the Grappone Conference Center beginning at 2:00 PM; attendees will be able to earn up to 3 PDHs during the seminars.

Please visit the [NHSPE Registration](#) page to complete the registration online. Since the conference center does require firm numbers of guests, people will be invoiced if they must cancel after the deadline. Exhibitors and Sponsors use the same registration page as dinner guests.

Deadline to register for dinner guests:	February 19, 2018
Deadline to register as a commercial vendor for the expo:	February 14, 2018
Deadline to register as a corporate sponsor:	February 14, 2018
Deadline to purchase advertisement in newsletter:	February 15, 2018

Thank you very much for your continued support of Engineers Week. For specific questions, please contact me.

Lawrence J. Dwyer, PE  
NHSPE, Engineers Week Chairman
