registration materials now!*

National Engineers Week (E-Week) is celebrated around the Country every year in February to commemorate the birth of engineering. In New Hampshire, the highlight of this weeklong celebration is the Annual Awards Banquet and Engineering Trade Show that is held at the Radisson Hotel - Center of NH in Manchester. On behalf of the New Hampshire Society of Professional Engineers (NHSPE) and the Joint Committee of Engineering Societies, we would like to invite you to join us for an evening with friends and colleagues to celebrate our profession and to participate in awards for scholarships, Engineer of the Year, Young Engineer of the Year and Outstanding Teachers Awards.

Our Key-Note speaker this year is **Mr. Joseph J. Helble, PhD**, Dean and Professor for the Thayer School of Engineering at Dartmouth College in Hanover, NH. Mr. Helble recently co-authored an article for NSPE's August/September edition of PE Magazine entitled "Dispelling the Myths of Holistic Engineering" along with Domenico Grasso, PhD, PE & Melody Brown Burkins, PhD (UVM) and David Martinelli, PhD, PE (WVU). At our banquet he will provide an overview of current research and achievements at the Thayer School of Engineering and also discuss Dartmouth's approach to educating the profession and culminate with a discussion of his views of Holistic Engineering and teaching leaders as engineers in our evolving practice.

If you should have questions about the event or wish to sponsor and/or participate in the Trade Show event, please contact Craig Bailey, P.E. or Roch Larochelle, P.E. by email at ctbailey@bailey-associates.com or rlarochelle@cmaengineers.com respectively.

For More information on National Engineers Week and the National Engineers Week Foundation, visit <http://www.eweek.org/Home.aspx>. The National Engineers Week Foundation is housed with the National Society of Professional Engineers (NSPE), 1420 King Street, Alexandria, VA 22134. NSPE is the Foundation Secretariat and initiated National Engineers Week in 1951. The New Hampshire Society of Professional Engineers (NHPSE) is the State Society of NSPE.
