8:00 pm	Presentation of Awards
*****	
Cost:	\$47.00 per person
Student rate	\$30.00 per person

The New Hampshire engineering community is now preparing for **National Engineers Week (E-Week)** during the week of February 14 – 20, 2010. *E-Week is celebrated around the Country every year in February to commemorate the birth of engineering, beginning with the first US engineer and President, George Washington.* In New Hampshire, the highlight of this weeklong celebration is the Annual Awards Banquet and Engineering Trade Show that will be held at the Radisson Hotel at the Center of NH located in the heart of downtown Manchester. On behalf of the New Hampshire Society of Professional Engineers (NHSPE) and the New Hampshire Joint Engineering Societies (NHJES), we cordially invite you to attend this time-honored and traditional annual event.

The Engineers Week banquet is the single largest annual gathering of engineers from all disciplines around the state to celebrate the profession and to participate in awards for scholarships, Engineer of the Year (EOY), Young Engineer of the Year (YEOY) and Outstanding Teachers Awards. The event draws about 200 professionals as well as students and professors from local universities and colleges. Mark your calendar now and plan to join us for an evening of celebration of this year's best, catch up with old acquaintances and enjoy the words of our Key Note speaker **Ms. Kelly Ayotte**, Former New Hampshire Attorney General and current Senate Candidate.

Registration materials for commercial exhibitors, corporate sponsors and dinner guests can be downloaded from NHSPE's website at <http://www.nhspe.org/pages/eweek/index.html>.
