**Re: 62<sup>nd</sup> Annual, 2013 NH National Engineers Week Banquet and Exhibition**

Dear Member of the New Hampshire Engineering Community,

Please join the New Hampshire Society of Professional Engineers as we celebrate the annual **National Engineers Week**. This year we are continuing our campaign to be as efficient and “green” as possible. We have done away with thousands of paper mailings and similar to last year, we can take your registration information **and payment** through an online registration system. Please visit the New Hampshire Society of Professional Engineers’ [E-Week](#) page for more information

Enclosed in this invitation packet, you will find all the information and costs associated to register as a dinner guest, commercial vendor for the engineering expo, or a corporate sponsor. Also similar to last year, we are providing educational seminars for our guests. The “mini-seminars” are 1-hour technical discussions being held at the SEERESC Conference Center beginning at 2:00 PM; attendees will be able to earn up to 3 PDHs during the seminars.

Please visit the [NHSPE Registration](#) page to complete the registration online. Since the hotel does require firm numbers of guests, people will be invoiced if they must cancel after the deadline. Exhibitors and Sponsors use the same registration page as dinner guests.

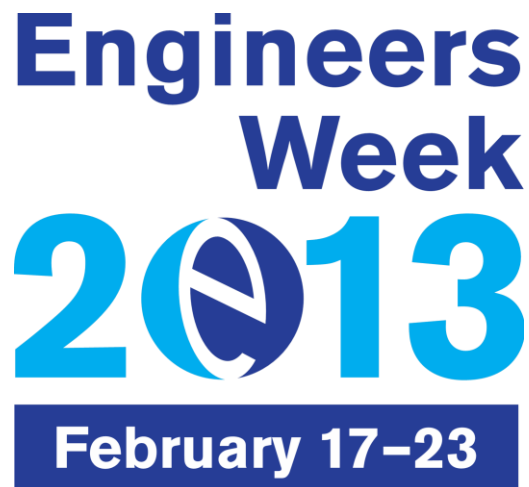

Deadline to register for dinner guests:	February 18, 2013
Deadline to register as a commercial vendor for the expo:	February 6, 2013
Deadline to register as a corporate sponsor:	February 6, 2013
Deadline to purchase advertisement in newsletter:	February 10, 2013

Thank you very much for your continued support of Engineers Week. For specific questions, please contact me.

Lawrence J. Dwyer, PE
