**2014 Joint Committee of Engineering Societies
S.T.E.M. Excellence in Teaching Awards**

NHSPE is pleased to announce that this spring; an extremely deserving individual was awarded by the NH Joint Committee of Engineering Societies with the S.T.E.M. Excellence in Teaching Award at the Middle School level. The Joint Committee was comprised of NHSPE, ASCE-NH, SENH, ITE-NH, IEEE-NH, ACEC-NH, SWE-NH, as well as the University of New Hampshire College of Engineering and Physical Sciences, the NH Teachers of Mathematics and the NH Science Teachers Association.

Applications were received from December to January, and the winner was notified in April after review by the committee. We will have the distinct pleasure of visiting the teacher in their school environment to present their award to them in front of their colleagues and students. The winner this year is as follows:

Middle School – Mr. David Auerback, Cardigan Mountain School, Canaan.

The winner will be presented with a plaque and \$250.00 stipend. We are very excited about this program going forward, and hope to build on the success in 2015.
